Plump Memory Foam Pillow

The Plump Memory Foam Pillow is designed to deliver luxurious comfort and ergonomic support throughout the night. Crafted from high-quality viscoelastic (memory) foam, it gently adapts to the natural contours of your head, neck, and shoulders, ensuring proper alignment and pressure relief. Its plump structure provides extra loft and coziness, making it the perfect balance between softness and support for all sleeping positions.

Visco Comfort

Plump Pillow

Memory Foam

Memory Foam Comfort:

Viscoelastic core responds to body heat, evenly distributing pressure points for deep relaxation.

Ergonomic Support:

Adapts to body shape, maintaining healthy neck and spine alignment.

Pressure Relief:

Memory foam distributes weight evenly, reducing stress on pressure points.

Visco Comfort

VISCO PILLOW SMART PACKAGING & SHIPPING

COMPACT • PROTECTED • READY TO SELL

PACKAGING SYSTEM

LOGISTICS ADVANTAGES

1 MORE EFFICIENT SHIPPING

Compact rollpack packaging reduces shipment volume and enables more efficient use of transport space.

2 READY FOR E-COMMERCE

The protective product box can be shipped directly. Sellers do not need to prepare additional packaging.

3 SAFE CARTON SHIPPING

Products remain protected in transit and are easy to organize, stack and store.

IMPORTANT ROLLPACK INFORMATION

ROLLPACK SHELF LIFE

Do not keep the product compressed for longer than 60 days.

FULL SHAPE RECOVERY

After opening, allow 2 to 8 hours for the pillow to regain its full shape.

Latex Comfort Pillow

CODE: KLY0001

Natural Latex Pillow

Designed for naturally responsive comfort, the latex core supports the head and neck while maintaining its shape throughout the night. Its breathable structure promotes continuous airflow for a fresher, more balanced sleep environment. Its balanced profile provides gentle comfort with resilient support for every sleeping position.

Latex Comfort Pillow

LATEX

Responsive Latex Comfort:

Naturally resilient latex responds instantly and maintains balanced support throughout the night.

Breathable Structure:

Open-cell ventilation encourages airflow for a fresher sleep surface.

Adaptive Support:

Gently supports the head and neck while quickly returning to its original shape.

Outer cover washable,
core not washable.

Latex Comfort

**Naturally
responsive comfort
with breathable
support**

Breathable Fabric

A soft, breathable outer fabric complements the naturally resilient latex core, helping create a fresh and supportive sleep environment.
