ABOUT BERFA GROUP

Berfa Group is a leading company specialized in furnishing hotels and projects worldwide. With extensive experience and a successful track record, we have implemented numerous projects in many countries. We also specialize in internal and external lighting projects. Our team collaborates closely with clients to create unforgettable spaces that blend style, comfort, and functionality. We offer end-to-end solutions tailored to each project's unique requirements, using premium materials and accessories. With a global presence and a dedication to excellence, we are a trusted partner for our clients, providing unparalleled customer service.

PRODUCTION

Thanks to our factory facilities, we are producing a wide range of Home Furniture and Hotels Furniture products. Our main products in the Home Furniture Category are Bedroom Sets, Dining Room Sets and TV Wall Units. Our production of Hotel and all furniture related to projects products of Hotel beds, Closets, Bedsteads, Tables, Sofa and many kinds of chairs. For such of these kinds of projects, we have a long-term agreement with partner factories in order to a sofa and some other time productions which are not produced in our factory but under our observations. By this way, we achieve a high level of efficiency in quality standard and affordable costs.

OUR VISION

The philosophy of Berfa is to walk with its suppliers by achieving corporate governance understanding, trustworthiness, and customer oriented working principle.

OUR MISSION

Our mission is to become a leading organization. which can give direction to industry and proudly represents our country in our rapidly changing and evolving world. In addition, we aim to become an establishment that gives advice to the future generations based on many years of experience.

QUALITY POLICY

Our quality policy is to build relationships. based on long-term friendship and trust in the companies working with us. We accept the duty to apply quality administration system conditions by giving priority to consumer satisfaction. "Quality product and service are not a consequence of coincidence, it is a consequence of experience and systematically working experience."

- **PROCUREMENT AND SOURCING.**
- **INTERIOR DESIGN AND SPACE PLANNING.**
- **PROJECT MANAGEMENT.**
- **CUSTOM MANUFACTURING.**
- **INSTALLATION AND LOGISTICS.**

Berfa Group help hotels source and procure a wide range of products such as furniture, fixtures, equipment, textiles, lighting, and amenities. We manage contracts, and ensure timely delivery. We oversee the entire project lifecycle, ensuring smooth execution and timely completion, and we handle the logistics of delivering and installing the procured items.

Berfa Group also offer custom manufacturing services, creating bespoke furniture, fixtures, and other items tailored to the hotel's specific requirements. This allows hotels to have unique and branded elements within their property.

LIGHTING

As the Berfa Group, we believe that lighting is intertwined with art, and we interpret your projects on this belief. Our design experienced team will prepare and present the most ideal design that will add aesthetic value to your projects and improve the quality of life of your places.

Starting from the architectural design, you can use special products which are suitable for the architecture, purpose and texture of the structure, and designed for your projects that you are interested in and want to come to the forefront with its difference from its material to craftsmanship. You can be exceptional in your project by using specially designed products instead of standard products. Berfa Lighting design team works on your project, designs special products that are suitable for the purpose, texture and architecture. It presents these designs to your liking and as a result of revisions made with your ideas, extraordinary designs are created. The production drawings and technical details of the designed products are created, and their production is carried out with the same care.
